

## LATEST UPDATE PROP. 8

1. Elders Ballard, Christopherson & Clayton met last week with leaders of the Coalition for 2 hours. The brethren emphasized that there wasn't much participation from non-LDS people. The work depends on us.

Elder Clayton will be working with a bishop of a YSA ward on getting the process organized for the "under 30 crowd" using Facebook, blogs, etc. More info to come so the YSA's can plug in.

2. YARD SIGNS - A pallet of 4000 yard signs will be delivered sometime around the end of Sept. The signs are 27 x 4 1/4, x 17. Members who volunteer to put signs up should be given three signs and asked to give one to a willing neighbor and one to a willing friend. Also, look for opportunities to place signs in public areas in addition to their homes. A sign up in a prominent public place that only lasts a few hours can have a great impact.
3. SCHEDULE & VOLUNTEERS - Statewide we are about 43% done with walk/phone lists. We suffer from STP (same ten people). We should not pressure people to walk/phone more than 10 hours but to explain the needs and let them make their own decisions. We will soon shift to all phoning.
4. NEXT PHASES - Persuasion Phase. We will need about 20 people per zip code to call the "mushy middle" people. That will take about 5 hours per person. There will be two surges, one the end of Sept. or early Oct. and the other at the end of Oct. to the first of Nov.
5. We will need 5 people per polling place (one to get information and 4 to be runners). We need people who are willing to take a day of vacation on November 4<sup>th</sup> to be available all day. *Basically a ~~any~~ person in the polling station will monitor who has voted or not and the four people will go out and remind them.*
6. OUT OF STATE CALLING TEAMS - Don't count on too much help here.
7. LOOK FOR VENUES TO SPEAK. Clubs, associations, clubs, etc. There is an excellent talk/speech already written for us to present. Find places to speak, I will find people to send to deliver the speech. *Powerpoint presentation.*
8. VOTER REGISTRATION - less than half of our members are registered voters. We need at least one person per ward who is responsible to get voter registration cards and encourage members to get registered. We can use ward lists to call ward members to ask them if they are registered. If they are not, they can pick up a voter registration card at church. The last day is October 20, 2008 for registrations postmarked by that date.
